Re: "Vision Statement for Community Planning Process"

Whereas the intent of establishing a vision is to develop a clear and simple direction for the community to inspire focused change, and

Whereas the community members participated in various workshops where their opinions were heard, acknowledged, and taken into consideration, and

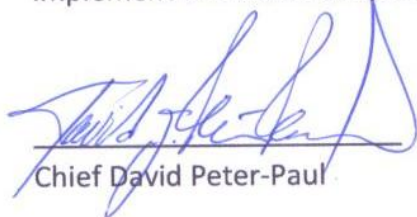

Whereas possible tentative vision statements were created, emailed to community members, and put forth to the community members for approval, and

Whereas the comments received were supportive of the below statement,

Be It Resolved that we, the Chief and Council of the Pabineau First Nation, fully support the approved vision statement from the community members, and

"Taking a holistic approach to community development that is focused on the mental, physical, and spiritual well-being of our members and their families, will assist us in our building social and economic strength and stability throughout the Pabineau First Nation community."

Be It Further Resolved that we, the Chief and Council of the Pabineau First Nation, will implement this vision statement with all of our future endeavors.

Chief David Peter-Paul

Councillor Barbara Calderone
