

Community Invitation

GMRC will be hosting a workshop, to share with the community, our recent activities with the salmon research project and the American eel (elver) project.

We are inviting you, the Elders, hunters, fishers, and community members to come and hear about our activities and to share your stories about your experiences with the salmon and the American eel.

Wednesday, December 09, 2009

10:00 AM - 3:00 PM

Pabineau Band office
