

# New School Bus

Chief & Council are proud to announce that the community will be receiving a new school bus!

After many years, our continued requests to INAC for the funds for a new school bus has been heard.

The bus was ordered this week and will be delivered to the community as soon as it is built.

The picture above is what the new school bus will look like.

The old school bus is going to be appraised and then listed for sale. For anyone interested, please contact Chief & Council.
