

Attention all community members and staff

Through our discussions with the local Pabineau First Nation Education Committee and our Regional Education Committee meetings, we are trying to explore ways to have more visibility within our local schools. Our mentor posters have been shared with the various schools and can be seen in the school hallways.

All the schools currently have the breakfast program running from about 7:30 am to 8:30 am. Superior runs an afterschool circulim from 2:10 pm to 3:00 pm. Some othe r ideas were story telling, mi'gmag language & crafts, singing, dancing, legends, book reading, drawing.

The first step for all volunteers to work in a school is to complete a 701 policy that is available online. This questionnaire doesn't take very long and once completed, needs to be droped off at the school that you want to volunteer at.

Information about the policy can be found at <http://www.gnb.ca/0000/policies.asp>

To do the policy, please go to <http://701.nbed.nb.ca/>

To the staff, please advise the HR Manager of your volunteering schedule so that it can be noted in your personal file.

Thank you,

Barbara Calderone
Education Director
